CATTLE PRODUCTION LOAN

#KaeKapaKae

Empowering Botswana's Cattle Industry

Raising cattle is part of Botswana's heritage and CEDA is proud to support farmers who are turning this tradition into a thriving business.

Our revamped Cattle Production Finance Product is designed to help farmers access both assets (Breeding Stock) and working capital funding, so that your farm doesn't just survive, but grows stronger and more profitable.

Whether you're just starting out or already managing an established herd, CEDA is here to make sure you have the right financial support, at the right time from feeding and vaccinations to transport and herd management.

What's New About the Product?

Working Capital Financing Option, many farmers struggle because they do not have enough finance to cover day-to-day running costs. That problem is solved. You can now get funding for:

- Feeding and supplements
- Vaccines and medicines
- Transport and operational costs
- Other essential farm expenses

This new feature makes cattle farming more viable, reliable, and sustainable, ensuring your herd stays healthy and productive all year round.

Working Capital Repayment Period: Up to 24 months

2

Dedicated Package for Financing Breeding Stock:

Access tailored funding specifically for purchasing breeding stock, enabling you to improve herd quality, increase productivity, and secure long-term growth.

Repayment Period: Up to 15 years

Why Choose CEDA?

- Flexible financing for fixed and working capital needs.
- Competitive interest rates and repayment periods of up to 15 years
- Flexible repayment based on business and individual cashflow
- Backed by expert business and technical support

Who Can Apply?

- Citizen farmers aged 18 years and above
- Individuals, partnerships, or companies engaged in cattle farming
- Existing farmers seeking to expand or restock
- Start-ups with access to land and basic infrastructure
